

CE MARKING

ISOROC POLSKA S.A. – manufacturer of mineral wool products, manufactured accordingly to the harmonized standard PN-EN 13162:2013-05 “Thermal insulation products for buildings. Factory made mineral wool (MW) products. Specification.” The company has implemented the Factory Production Control (a system of evaluation and assessment of the constancy of performance of the products for building: System 1 and System 3 of the factory) made mineral wool products for thermal insulation of buildings are specified in the ZA attachment to the above mentioned standard.

On this basis, ISOROC POLSKA S.A. has received a document from the notified certification body numbered 1434, Polish Center of Testing and Certification S.A., confirming that the above mentioned requirements were fulfilled, including the Certificate of Constancy of Performance in accordance with the above mentioned standard PN-EN 13162. It is issued as one certificate with attachment for all manufactured goods. The evaluation of conformity is carried accordingly to the PE-EN 13172:2012 “Thermal insulation products – Evaluation of Conformity.”

The manufacturer, upon receiving a confirmation in the form of the Certificate of Constancy of Performance, issues for each of the products the Declaration of Constancy of Performance, which entitles to placing a CE sign.

Symbol CE is placed on the product’s label. Apart from the CE symbol, label includes the following information:

- Identification number of the certification body,
- Name or identification mark, and registered address of the manufacturer,
- Two last digits of the year in which marks were placed,
- Number of the certificate of the constancy of performance,
- Reference to the norm,
- Description of the product: name, material, dimensions, etc. and the intended usage,
- Information about the basic characteristics of the product.

Furthermore, the invoices includes information that indicates correct Declaration of Constancy of Performance for a given product (notation DoCP no 01/2013), which is available to download on website www.isoroc.pl in the bookmark "Download". The Declarations of Constancy of Performance are available on the website according to the Regulation no 305/2011 of Delegated Act no 157/2014 (<http://pcbc.gda.pl/2014/02/rozporzadzenie-delegowane-w-sprawie-warunkow-udostepniania-dop-na-stronie-internetowej/>), and so there is no need to provide every supplies with paper version to the documentation. This information is also on the WZ document.
